Thanks Rich! Also, will this letter come from KC or Monica or EPA Region 8?

Hi Rich – OPA and OAR left edits in this shared document. It looks like someone accepted most of the edits we made yesterday. There are more that we added today. Also, there are some subjective comments that you may want to consider. Please let us know if you need anything else from HQ. Also, if you could share a link once this publishes that would be great.

Thanks,

Madeline, Taylor-- still working some final refinements and edits, but wanted to share the attached draft LTE for your review and feedback as we'd like to get this to Utah Policy.com by tomorrow pm if possible. This follows desire to respond to recent editorial content posted on Utah Policy with basic messages teeing up EPA October 20 community meeting.

Thanks in advance for your review and comments!
